

2016 St. Patrick's Party Set List

This list is by the type of tune, and we will NOT play them in order. Instead we will choose which set to play and how many times for each tune, and that information will be spread to the group. We will not play all the tunes on this list at the party, but it will be useful for future use, too. If you want to put the music for the tune sets in order I have extra binders, just ask.
